CAST

Steve Stumphauzer: Frank-N-Furter. Steve is 80% excited, 20% terrified to be performing this dream role. Luckily, he has a wealth of experience in such high-brow fare as Psycho Beach Party, Evil Dead the Musical, and Reefer Madness, as well as a deep life long appreciation for Anne Baxter in The 10 Commandments to help him prepare for this character. He would like to thank this fabulous cast for making this experience a joy, and give recognition to Ashley's basement, where he was first exposed to the magic that is the Rocky Horror Show.

Juliana Sutliff: Phantom. Juliana Sutliff (Phantom) is a huge fan of Rocky Horror - both on the stage and the screen. If you follow the local high school theaters, you may have seen her as Jordan Baker in Hilliard Bradley High School's production of The Great Gatsby or in any number of their shows over the past four years. Juliana is heading to college next year for the performing arts, specifically in the field of acting for film.

Julia Tvardovskaya: Phantom. New to Columbus, The Rocky Horror Show is Julia's first performance with Imagine Productions. Trained in musical and classical theatre, Julia has played roles varying from Marc Antony in Shakespeare's "Julius Caesar" to Olive Ostrovsky in Rebecca Feldman's "The 25th Annual Putnam County Spelling Bee," as well as many others. Most recently, Julia performed as Tillie in "The Effect of Gamma Rays on Man-in-the-Moon Marigolds" at Lehigh University, where she received her higher education and graduated with both a B.S. and a

B.A. Julia has performed in the greater Cleveland area, in the greater Philadelphia area, and in the greater Columbus area, and would like to thank her family and friends who not only have supported her, but who have traveled to see every performance. Julia, who speaks English, Ukrainian, and Russian fluently and has been to 13 countries, loves to travel and is looking forward to performing on both a national and global scale!

I AM RYAN SCARLATA. THEATER IS MY ART.

Learn more about Ryan's story and other Columbus artists and events at ColumbusMakesArt.com.

I approach each new show I direct at Columbus Children's Theatre by first understanding the story. I like to immerse myself into the world of the play whenever possible. What inspires me about Columbus is that different organizations are willing to collaborate and explore how to create something wholly original. I am Ryan Scarlata. theater is my art and there is no place I'd rather make it.

CAST

Jay Reid: Rocky. Jay is unbelievably thrilled to be a part of this talented cast and crew. Although this is his first production with Imagine, Jay was most recently in the musical revue Upsidedown Broadway, as Wyatt in Marion Palace Theatre's Crazy for You, and Neleus in The Pleasure Guilds production of Mary Poppins. Jay is currently a senior at The Ohio State University in the Fisher Business School majoring in business economics and minoring in theatre. He would like to thank his many theatre mentors he has had throughout his life as well as his incredibly supportive family and friends.

Johnny Robison: Riff-Raff. Johnny holds a degree in Accounting from The Ohio State University and can be found counting beans at Chipotle's Accounting Center. You may have seen him around town in Die Mommie Die (Short North Stage), Sweeney Todd (Imagine Productions), Hair (Imagine Productions), Next Stage Initiative (Available Light), The Drowsy Chaperone (Off The Lake Productions) and Bare (Evolution Theater Company). Many thanks to my wonderful family, friends, coworkers and my best friend, Candice Kight.

Alexander Sanchez: Phantom. Alexander is ecstatic to be performing for the first time with Imagine Productions and in The Rocky Horror Show. He is no stranger to the stage. Currently he is earning his degree in theatre with an emphasis in music and dance from The Ohio State University. Recently he has performed in The Coast of Ilyria, Footloose, The Jungle Book, and Company. Lastly, he wants to thank the entire creative team for inspiring this crazy exciting production, his parents for allowing him to chase his dreams, and most importantly the audience for supporting live theatre. Hold onto your seats as do the time warp again.

Briana Schubert: Phantom. I am so excited to be debuting with Imagine Productions as a Phantom in this production! A northeast Ohio native, I have been in multiple community theatre productions in the Canton area, including A Christmas Carol and The Wizard of Oz. At Sandy Valley High School, I participated in Annie (Annie), Grease (Rizzo), Anything Goes (Reno Sweeney), and Beauty and the Beast (Belle). I can't thank my Rocky family enough for the countless laughs and fun, and my real family for all the love and support. Thank you all for supporting the local theatre community! We love you!
