VINCE FONTAINE  
(voice over)

Hey, hey, this is the main-brain, Vince Fontaine, at Big Fifteen! Spinin' the stacks of wax, here at the House of Wax (OOO-GA Horn sound) W-A-X-X. Cruisin' time, 10:46. (Ricocheting bullet effect) Sharp-shooter pick hit of the week. A brand new one shootin' up the charts like a rocket by "The Vel-doo Rays" – goin' out to Ronnie and Sheila, the kid's down at Mom's school store, and especially to Little Joe and the LaDons – listen in while I give it a spin!

RIZZO

Hey, Frenchy, throw me a ciggie-butt, will ya?

FRENCHY

Ya want one, Sandy?

SANDY

Oh, no thanks. I don't smoke.

FRENCHY

Ya don't? Didja ever try it?

SANDY

Well, no, but...

RIZZO

Ah, go on try it. It ain't gonna kill ya. Give her a Hit Parade! Now, when she holds up the match, suck in on it.

(SANDY inhales and starts coughing)

Oh, I shoulda told ya, don't inhale if you're not used to it.

MARTY

That's okay. You'll get better at it.

FRENCHY

Yeah, then I'll show ya how to French inhale. That's really cool. Watch.

JAN

Phtyyyaaaaagghh! That's the ugliest thing I ever saw!

FRENCHY

Nah, the guys really go for it. That's how I got my nickname, Frenchy.

RIZZO

Sure it is. Hey, you guys. I almost forgot! A little Sneaky Pete to get the party goin'.

JAN

Italian Swiss Colony. Wow, it's imported!

*(RIZZO passes bottle to MARTY)*

FRENCHY

Hey, we need some glasses.

RIZZO

Just drink it out of the bottle, we ain't got cooties.

MARTY

It's kind of sweet. I think I like Thunderbird better.

RIZZO

Okay, Princess Grace. Hey, Sandy didn't get any wine.

SANDY

Oh, that's okay. I don't mind.

RIZZO

Hey, I'll bet you never had a drink before, either...

SANDY

Sure, I did. I had some champagne at my cousin's wedding once.

RIZZO

Oh, ring-a-ding-ding.

JAN

Hey, Sandy, you ever wear earrings? I think they'd keep your face from lookin' so skinny.

FRENCHY

Wouldja like me to pierce your ears for you, Sandy? I'm gonna be a beautician, y'know.

JAN

Yeah, she's real good. She did mine for me.

SANDY

Oh no, my father'd probably kill me.

MARTY

You still worry about what your old man thinks?

SANDY  
Well...no, but isn't it awfully dangerous?

RIZZO  
You ain't afraid, are ya?

SANDY  
Of course not.

FRENCHY  
Good. Hey, Marty, you got a needle around?

MARTY  
Hey, how 'bout my virgin pin!

JAN  
Nice to know it's good for somethin'.

*(Girls laugh)*

MARTY  
What's that crack supposed to mean?

JAN  
Forget it, Marty. I was just teasin' ya.

MARTY  
Yeah, well, tease someone else. It's my house.

SANDY  
Ow!

FRENCHY  
Hey, hold still, would ya?

MARTY  
Hey, French... why don't you take Sandy into the john? My old lady'd kill me if we got blood all over the rug.

SANDY  
Huh?

FRENCHY  
It only bleeds for a second. Come on.
